- (a)** the Event is cancelled in its entirety and cannot be re-scheduled; or

Terms and Conditions applicable to Upgrades

1.1 Each Upgrade is the property of the Event Organiser. An Entrant must return any Upgrade held to the Event Organiser if the Event Organiser (through its representative) asks the Entrant to do so. Upgrades are non-refundable, non-transferable (whether between ARC concert days or otherwise) and non-exchangeable. Each Upgrade is for the personal use of the Grand Prix ticket to which it is linked (through the information supplied at the point the Upgrade is purchased). Entrants must be wearing their Grand

Prix ticket in order to utilize the Upgrade – neither ADMM nor the Event Organiser is obligated to admit an Entrant to an ARC if they seek admission using the Upgrade only. The Vendor and/or Event Organiser can confiscate an Upgrade from an Entrant if they resell it or attempt to resell it. ADMM and/or the Event Organiser are not obliged to admit to the Event any person whose Upgrade has been lost, stolen or duplicated. No refunds or compensation will be paid to an Entrant or any third parties if the Event Organiser or ADMM refuses to admit an Entrant to, or ejects them from, the ARC venue.

1.2 Each Upgrade provides access for one (1) Upgrade holder to the Golden Circle for one (1) ARC. Upgrades are sold by day (or as a package of days). The purchase of an Upgrade for (for example) the ARC on Sunday entitles the Upgrade holder to access the Golden Circle for the ARC on that Sunday only, and not for any other ARC on any other day. An Upgrade does not entitle its holder to (a) access the Grand Prix or any part of the Yas Marina Circuit; (b) access any other Event of any kind. An Upgrade does not include, and users of Upgrades are solely responsible for, all expenses associated with utilization of each Upgrade. Neither ADMM nor the Event Organiser is responsible for, and each expressly disclaims all liability associated with and arising from, use of the Upgrades (or, as the case may be, a person's inability to use Upgrades for any reason). No liability shall attach to ADMM or the Event Organiser if the number of Upgrades is limited, or if access to the ARCs is restricted for any other reason.

COVID POLICIES

Website - "Waiver Form"

"In light of the outbreak of the Coronavirus - COVID-19 pandemic ("COVID-19"), Abu Dhabi Motorsports Management ("ADMM" is taking precautionary measures to prevent the further spread of the disease and to keep you safe. Your safety, health and well-being is ADMM's top priority. In view of this, and in line with UAE Government direction, the following changes are made to our General Terms & Conditions ("Amendments") which shall apply as long as the COVID-19 pandemic persists or until such other time as ADMM is permitted to lift such restrictions by the UAE Government. These changes affect our General Terms & Conditions with respect to Sale, Entry, Motorsports and Health & Fitness activities. The precautionary measures listed below may be amended from time to time and we encourage you to keep updated by checking these terms periodically.

Capitalised terms contained in this Waiver Form shall, unless otherwise defined herein, have the same meaning as described in the General Terms & Conditions as provided on our website www.yasmarinacircuit.com.

Over the coming weeks and months, in line with Government directives, we will be implementing a staggered programme in which activities at Yas Marina Circuit ("YMC") will gradually be re-opened.

In line with Government directives and the continued measures to tackle Covid-19, we will be taking every possible step to ensure the safety of all who attend YMC.

The process will begin with the re-opening of a limited number of activities at YMC, under strict controls, in order to provide a safe environment for both customers and staff.

ADMM PREVENTATIVE MEASURES

The following safety measures have been implemented at YMC as part of ADMM's commitment to providing a safe and secure space for all events.

FACE MASKS

All guests and staff are required to wear a face mask unless advised otherwise.

SOCIAL DISTANCING

Floor markings are in place in all public spaces and should be adhered to.

Safe zones are also highlighted at our reception and sales desks.

Signage and video screens are placed around the YMC to remind guests about the importance of social distancing within the YMC.

Shielding is in place at interaction points in which social distancing may not be possible.

TEMPERATURE CHECKS

Temperatures are checked to monitor the temperature of everybody entering the YMC.

Anybody with a body temperature above 38°C will be asked to separate from their group and wait five minutes before attempting to enter again. Anyone who fails the temperature test a second time will be denied access to the YMC and advised to seek medical advice.

ENHANCED CLEANING

ADMM conducts deep cleaning of all publicly accessible spaces between events and all common touch points (i.e. door handles, taps, toilet flush, cashpoints etc).

ADMM conducts a general deep clean every 30 minutes.

EQUIPMENT STERILISATION

All vehicles will undergo enhanced cleaning and fogging between uses, utilising non-harmful disinfectant solutions

All karts will be sterilised between each use with a specially designed drive through fogging gate to be used at the end of each session. Private kart owners will be able to use this system should it be required.

In addition, all ADMM-owned helmets will be sanitised between each use, and customers with personal helmets will also be able to use the sanitisation system when attending the YMC. Those customers using YMC helmets should be aware that they will be required to wear a disposable single use balaclava.

ADMM STAFF

- ADMM provides mandatory testing for all front-line staff.
- ADMM operates a shift pattern for its staff to minimise the occurrence of cross contamination.
- ADMM follows the direction of the UAE Government directives with respect to company staff as released from time to time.

CONTRACTORS AND SUPPLIERS

- Contractors and suppliers arriving at the YMC shall be required to undergo temperature checks and enter through a sanitisation gate prior to entering the YMC.
- All contractors working at YMC are required to provide confirmation of their compliance with COVID-19 national regulations.

GENERAL

Further specific measures may be applicable to your Experience. These will be communicated to you at the time of your booking.

To the extent that these COVID-19 related Amendments conflict with ADMM's General Terms and Conditions, these COVID-19 Amendments will apply. All other General Terms & Conditions shall apply in all other instances. Should you have any questions relating to these COVID-19 Amendments or to our General Terms & Conditions, please contact a member of our staff.

REFUND POLICY

In the event that ADMM is required to cancel any Ticket purchased for any YMC Experience due to the effects of COVID-19, ADMM will offer:

- reschedule your YMC Experience for a later date. Please contact us to arrange an appropriate time to reschedule; or
- you may request a refund of the full value of your YMC Experience Ticket.
