EXCELLENCE GRANDSTANDS

This category includes the **covered main grandstand**, which normally accommodates about 10,000 spectators. Moreover, it offers a view of the start/finish straight and pit lane.

Stand F also falls into this category. This is an excellent premium grandstand choice in Montmelo. This stand is located at the end of the straight next to the pit lane. Hence, you will have a panoramic view of the track's complex of turns.

Additionally, **Stand T1** and **Stand A** are also part of the Excellence category. You can find these stands at the end of the straight, offering a view of turns 1, 2, and the entrance to turn 3.

Finally, **Stand T10** is in the Excellence category, providing a view of turns 10, 11, and 12.

SUPERFAN GRANDSTANDS

This classification encompasses four grandstands with great visibility. Firstly, you can find **Grandstand N** before turn 9. It captures the fast and sharp maneuvers of the drivers, ensuring plenty of action.

Another Superfan grandstand is **Grandstand H**. This grandstand offers a view of the final bend where cars enter the straight. It will provide a comprehensive perspective on the final moments of a lap.

View from Grandstand L

Lastly, Superfan stands **Grandstand L** and **Grandstand M** provide good viewpoints. **Grandstand L** affords views of turns 1, 2, 5, and 6. This offers a comprehensive overview of the track's starting section. **Grandstand M**, positioned at turn 5, will give you a view of a fast yet tight bend. **Grandstand S** is located next to Grandstand N and offers a view of turn 9. Besides this, it is covered and offers a view of multiple tv screens.

FAN+ GRANDSTANDS

Looking for an intermediate category between the Excellence Grandstands and Fan Grandstands? Then, the Fan+ Grandstand offers great value for money. But be aware, it might not provide the absolute best vantage point.

Grandstands G and **C** fall into this category. They are situated in the stadium section, at the lap's end before the entry straight. Notably, **Grandstand G**, the largest stand, is particularly popular among Dutch fans. Therefore, it is often recognized as the Orange stand.

Finally, **Grandstand E**, similar in location to Grandstand F, offers a slightly less optimal view of the track's initial corner complex.

FAN GRANDSTANDS

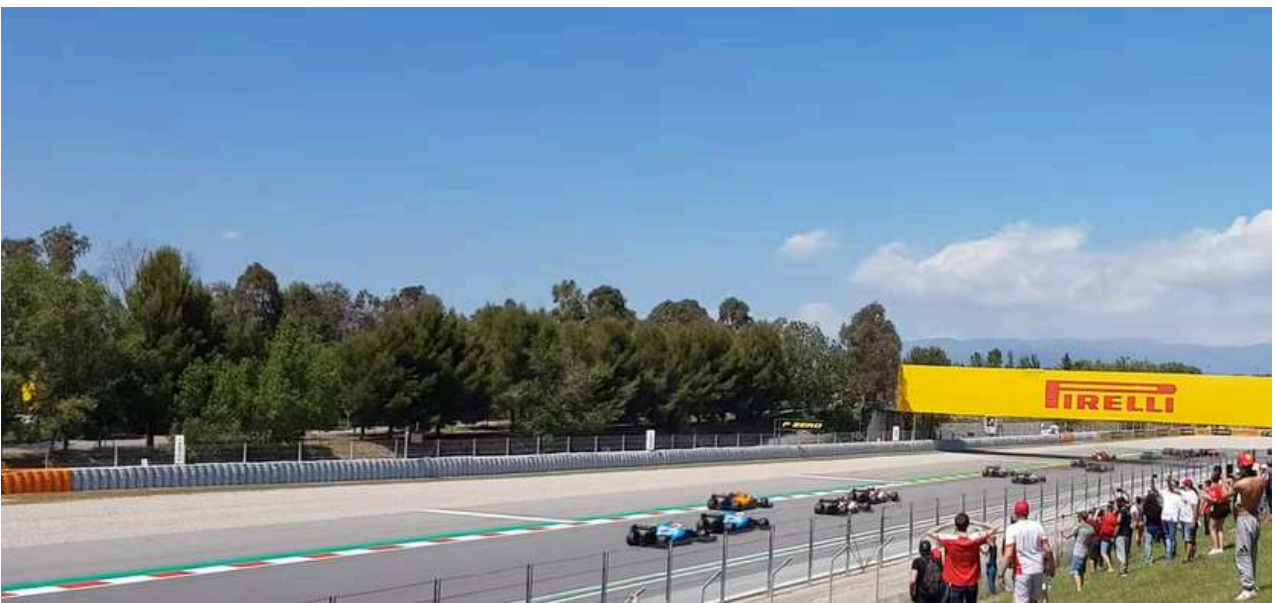

This category includes the more economical **Grandstand J** and **Grandstand K**. They are both located on the straight next to the main grandstand, leading towards Turn 1. From here, you can experience the race start. You will witness which driver gains the upper hand off the starting line.

GENERAL ADMISSION

General Admission tickets are the most affordable tickets for an F1 weekend. The areas we recommend are located on the outside of turn 3. Another place is the inside of turn 4 Or you can take a seat near turn 6 or 7. At the latter, you even have a view of a TV screen so you don't miss any of the race action.
