01. TICKET TIPS

To help you select the right tickets and get you well prepared for your trip to the Hungarian Grand Prix, we have compiled a few ticket tips:

✓ Children aged 13 or younger can receive severely discounted prices for the event.

✓ Race day tickets (Sunday only) are also available at a discount. You will save 10% off three-day ticket prices (as long as availability lasts).

✓ All grandstands at the Hungaroring have numbered seating. They also offer views on a large tv-screen.

✓ Parking on the circuit is free for ticket holders. If you want to have VIP parking, simply add this to your order.

✓ The most expensive Hungaroring grandstand (on the main straight opposite pit lane) is the only covered grandstand at the circuit. If you don't feel like spending three days in the hot summer weather, this is your best pick.

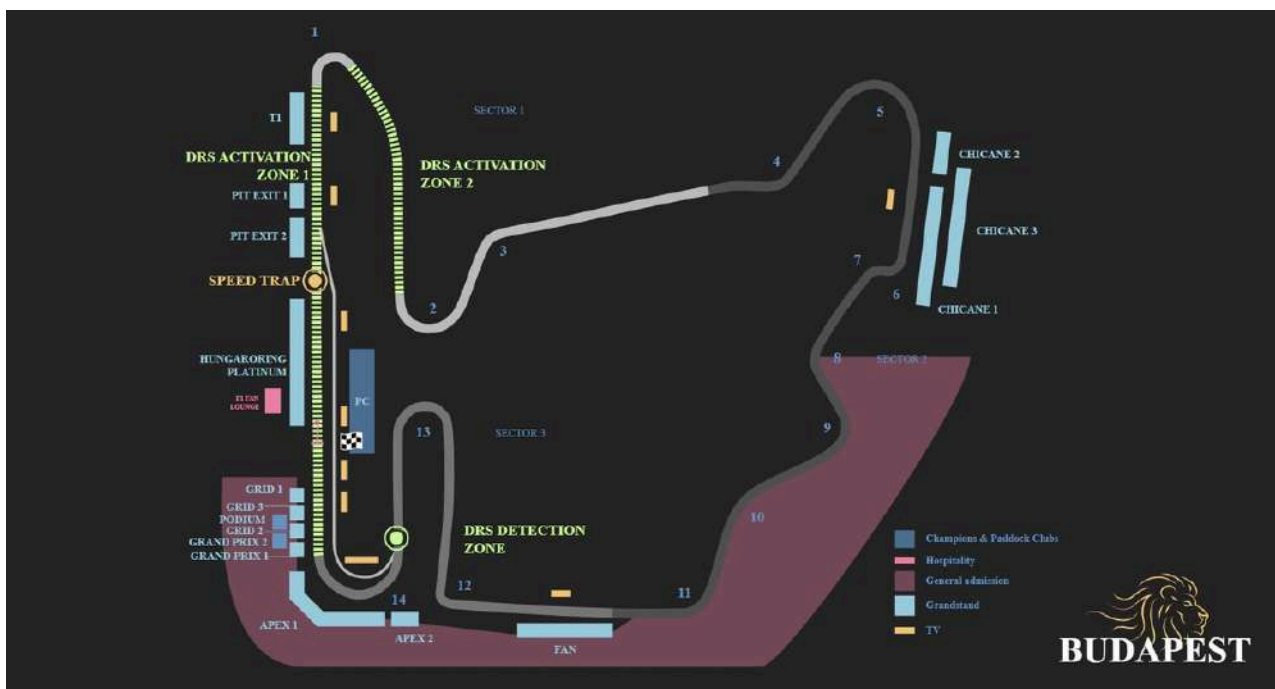

✓ The grandstand hopping offer is a solid choice for first-time visitors to the Hungaroring. This way you will see various turns on the track. The 3-turn grandstand ticket offering for 2025 includes six different grandstands.

02. GRANDSTAND TICKET TYPES

Besides the VIP tickets, there are four main categories of tickets at the circuit. Gold, Silver, and Bronze grandstands and General Admission. The gold tickets often provide the best views, however, they are also more expensive. The silver tickets are a bit more affordable while still giving decent views. The bronze tickets are the cheaper grand stand tickets. And lastly, there is general admission. These tickets will give you access to roam around freely, however, you will not have a designated seat.

Below you will be able to find an overview of the different types of tickets which are available at the Hungarian Grand Prix. Along with this you can find information on the views that the different tickets offer and if it is worth the price you pay for it.

GOLD GRANDSTANDS

HUNGARORING

This stand is covered and is also the main grandstand on the circuit. It offers a fantastic view of the straight and the pit lane. You sit opposite the pit garages of the top Formula 1 teams.

Additionally, this grandstand features a large TV screen, so you won't miss any of the race action at the Hungaroring.

HUNGARORING PLATINUM

The Hungaroring Platinum Grandstand is the most expensive and luxurious stand at the Hungarian circuit. This stand is also covered. The main grandstand in Hungary is divided into Platinum and Hungaroring sections.

The Hungaroring Platinum sits at a higher elevation, giving you a better view of the circuit.

PIT EXIT

Pit Exit offers a good view of Turn 1 and the pit lane exit. It enhances your chances of witnessing many overtaking maneuvers, as this section often sees significant racing action. With a large tv-screen, you won't miss any of the thrilling moments at the Hungaroring.

GRID 1

The Grid 1 Grandstand lies on the straight section of the Hungaroring, next to the Hungaroring stand. The location is right on the start-finish line.

The Grid 1 Grandstand also offers a good view of the pit lane, allowing you to see the strategies live. It also provides an excellent view of the starts of the various races this weekend. With a large TV screen in front of the grandstand, you won't miss any of the racing action on the circuit.

TURN 1

This is, after the Hungaroring (platinum) grandstand, the best grandstand at the Hungaroring. The Turn 1 grandstand is located at the apex of turn 1. Here, you have the best chance to see the most overtaking maneuvers.

There is a large TV screen at this grandstand so you won't miss any of the race action.

SILVER GRANDSTANDS

FAN GRANDSTAND

The Fan Grandstand is located between turns 11 and 12, providing a good view of both turns. The Fan Grandstand has a large TV screen so you won't miss any of the racing action. The Fan Grandstand was previously Silver 5.

APEX 1

Situated along the extended bend of turn 14, Apex 1 offers views of cars entering and exiting bend 14. With a good view of the final turn, it is a real favorite among fans. The Apex 1 Grandstand has a large TV screen so you won't miss any of the racing action. The Apex 1 Grandstand was previously the Silver 3 Grandstand.

GRAND PRIX 1 / 2 GRANDSTAND

The Grand Prix 2 grandstand lies on the straight of the Hungaroring. Hence, it boasts a fantastic panoramic view of the entire circuit, because of its elevated position. The Grand Prix 2 Grandstand also has a large TV screen, so you won't miss any of the racing action. Grand Prix 1 is located just below Grand Prix 2. Because Grand Prix 2 is higher up, this one would be the better choice.

GRID 2 & CLUB

The Grid 2 Grandstand is closest to the Hungaroring circuit. It offers a fantastic view of the straight and the pit lane. You can see all the strategies live from the grandstand and closely see the build-up of the race. This grandstand features a large TV screen so you won't miss any of the racing action.

Club is located above the Grid 2 grandstand. The view is basically the same, only a little higher up.

BRONZE GRANDSTANDS

CHICANE 1

From chicane 1, you will be able to enjoy an exceptional view of the chicane formed by turns 6 and 7. Despite of its affordability, the perspective from this grandstand is surprisingly good.

CHICANE 2

This grandstand is located next to the Chicane 1 grandstand. However, the view is significantly better than that of Chicane 1. Therefore, we prefer the Chicane 2 grandstand.

CHICANE 3

Above the Chicane 1 and Chicane 2 grandstands is the Chicane 3 grandstand. From here, you have more visibility of the Hungaroring circuit because you are seated higher up.

GENERAL ADMISSION

Similar to the Red Bull Ring, the Hungaroring lies naturally in a valley. So the General Admission areas around the track offer excellent elevated viewing opportunities. This is especially between turns 9 and 14.

Many of the grass-covered standing areas are on higher ground behind the grandstands. This is particularly the case at the final turn 14. Therefore, this location ranks in our top 3 of all standing zones on the entire F1 calendar.

Despite the track being quite far, you have a fantastic panoramic view of large sections of the track. This includes the starting grid! Bring binoculars so you can keep track of the action everywhere.

These are some of the most affordable and beautiful General Admission tickets on the F1 calendar!
