01. TICKET TIPS

To help you select the right tickets and get you well prepared for your trip to the Imola Grand Prix, we have compiled a few ticket tips:

- ✓ The main grandstand is covered.
- ✓ All grandstands share a view of a large video screen.
- ✓ Children up to and including 13 years old can get a discount. Please inquire about the possibilities.
- ✓ You are guaranteed to sit together if you order tickets for the same grandstand, for the same days in one order.
- ✓ Come well prepared, bring sun protection, hats, an empty water bottle which you can refill, etc. The circuit is relatively strict with what you can bring inside, check therefore upfront what you are and are not allowed to bring to prevent trouble.

02. GRANDSTAND TICKET TYPES

Below you will be able to find an overview of the different types of tickets which are available at the Grand Prix in Imola. Along with this you can find information on the views that the different tickets offer and if it is worth the price you pay for it.

There are different grandstands per category for example Acque Minerali 1 t/m 4. The views for these grandstands can differ slightly, however, in this guide, a general description of the grandstands will be given.

GRANDSTANDS

Villeneuve Grandstands

Choosing the **Villeneuve Grandstand** gives you a view of cars coming out of turn 3. You can see them speed up before they brake for the quick turns 5 and 6. Notably, this is where Max Verstappen experienced a tyre blowout in the 2020 race.

View from Tribuna Tosa 1

TRIBUNA TOSA

Choosing **Tribuna Tosa** ensures a fantastic view of the renowned bend. It captures drivers as they approach from a distance and head up to turn 8. This corner is where Lewis Hamilton hit the wall in 2021.

TRIBUNA ACQUE MINERALI

Tribuna Acque Minerali is another picturesque location. It provides a view of two bends and a straight. Given Imola's tight layout, this area could be a prime spot for Max Verstappen's overtaking attempts.

GRANDSTAND VARIANTE ALTA

Grandstand Variante Alta boasts a splendid view of Imola's iconic chicane. It captures cars navigating through it on their way to Turn 16. For example, this was the location of Charles Leclerc's spin-off in 2022.

GRANDSTAND RIVAZZA

Grandstand Rivazza 2 offers a view of three corners (16, 17, and 18). This grandstand has a focus on the dynamic action zone of corners 17 and 18. This was where Valtteri Bottas made a crucial mistake in 2020, under pressure from Max Verstappen.

View from Rivazza 1 Grandstand

Grandstand Prato-Rivazza, positioned just after turn 18. It serves as the initial grandstand on Imola's straight. From here, you enjoy a superb view of the pit lane entrance and the unfolding of rear wings in proximity to a DRS zone.

PARTENZA

Along the long straight at the start-finish line you will find the **Partenza stands**. These covered stands offer views of the start-finish line and (part of) the pit lane. Rivazza may lack covered seating, but it still offers an impressive view. So if you doubt between these locations, we recommend Grandstand 1 – Partenza.

GENERAL ADMISSION

If you want the freedom to roam around the circuit and don't mind walking quite a lot, then General Admission might be something for you. These are the cheapest tickets on the circuit.

If you have General Admission tickets for the entire weekend, we would recommend walking around the circuit and exploring it on Friday, because it will likely be less busy than on Saturday and Sunday.

If you want a good spot, make sure to arrive at the circuit early, as it will get relatively busy especially with all the passionate Ferrari fans around.

Some good places to watch the racing action from are at the start of turns 12 and 13, and at turns 2,3, and 4.
