01. TICKET TIPS

To help you select the right tickets and get you well prepared for your trip to the Abu Dhabi Grand Prix, we have compiled a few ticket tips:

- ✓ Each grandstand has a dedicated oasis. An oasis is an area where you can buy food, drinks, snacks, and merchandise.
- ✓ Unfortunately, child tickets are not available for this circuit. All children need their own (adult) ticket and must be accompanied by an adult.
- ✓ You are guaranteed to sit together if you order tickets for the same grandstand, for the same days in one order.
- ✓ Abu Dhabi is the seasons finale, therefore you might want to book in time so your preferred seats don't sell out before you acquire them.
- ✓ Ticket holders get access to Yasalam concerts featuring major artists. Check the lineup and pick tickets accordingly!
- ✓ All grandstands and General Admission areas have access to large TV screens.

02. GRANDSTAND TICKET TYPES

Below you will be able to find an overview of the different types of tickets which are available at the Yas Marina Circuit in Abu Dhabi. Along with this you can find information on the views that the different tickets offer and if it is worth the price you pay for it.

GRANDSTANDS

NORTH GRANDSTAND

The North Grandstand offers a view of turns 3 to 5 and the first straight (back straight). These seats are located near Ferrari World and the daily evening concerts. Within the North Grandstands you have North and North Straight. North is located along turn 5. From the **North Grandstand** you have a nice view of one of the slowest corners on this rather fast circuit. Here, Max Verstappen passed Lewis Hamilton for the 2021 World Championship.

From the **North Straight Grandstand** you will have a nice view on the first DRS straight where the cars will drive by with great speed to turn 6.

SOUTH GRANDSTAND

The **South Grandstand** is a great choice to see on-track action. The South Grandstand is located in the braking zone of Turn 9. Hence, it offers an excellent panoramic view of the 9 to 11 corner combination. It also offers a view of the spectacular Marina and the Yas Viceroy Hotel. This is the ideal place to witness drivers overtaking each other. This is because the South Grandstand is located at the end of the DRS sector.

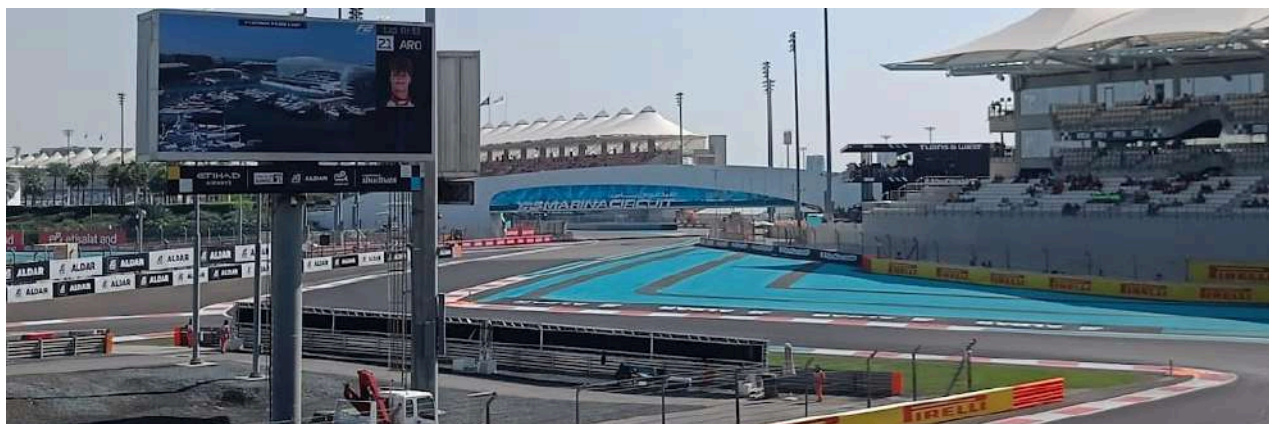

MARINA GRANDSTAND

The **Marina Grandstand** provides a panoramic view of the second half of the circuit. You have a direct view of the cars on the straight between turns 8-9. You can also follow the action in the Marina section between turns 12-15. The garages for support races (such as Formula 2) are located under this grandstand.

WEST GRANDSTAND

The West Grandstand offers magnificent value for money. Just like the North Grandstands, there are two options here. The **West straight grandstand** is located along the same straight as the North Straight Grandstand, but is situated more towards turn 6. You'll see the cars coming towards you with great speed before they have to brake to go into turn 6. The **West Grandstand** is located along turns 6 & 7.

These grandstands are popular as it is a great place to overtake. Besides this, it is unique as the run-off area is partially below the grandstand!

MAIN GRANDSTAND

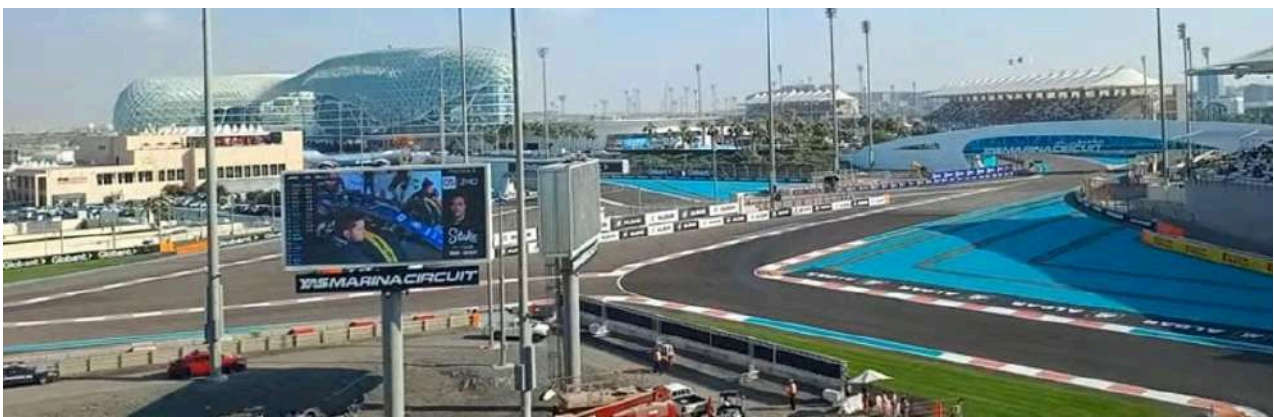

The **Main Grandstand** is ideal for those who want to see the start and end of the race. You will also stay up to date with the action in the pits. If this isn't that important to you, opt for a cheaper grandstand where you can see more on-track action.

YAS SUITES

Do you want to experience the Grand Prix in real style? Choose one of the Yas Suites on the Main, North or West Grandstand. These suites offer the best seat in the house, with your own Suite. In the Suite there's a variety of food options available as well as an open bar (non alcoholic) and some lounge seats. Here, you can watch the action from an inner airconditioned lounge.

The Yas Marina Circuit offers you the chance to select the best seats on the Grandstand. It has some additional Ticket options beside the regular Grandstand tickets.

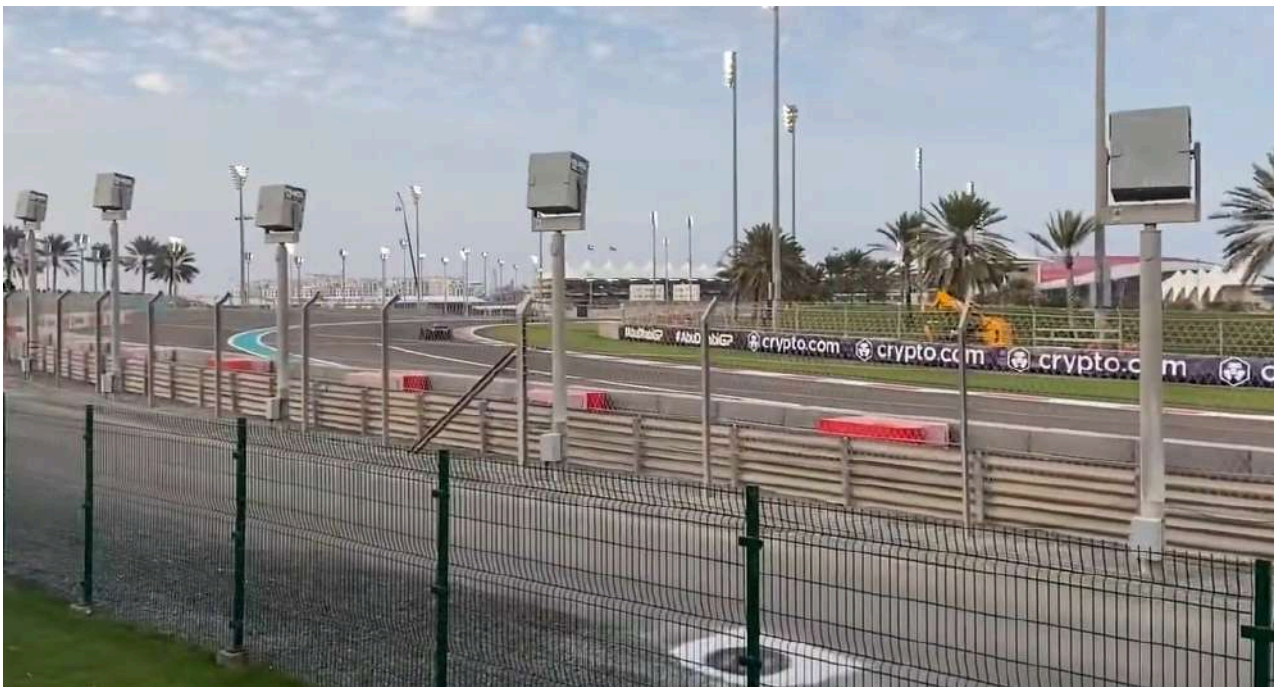

- ✓ **Premium Plus** is only available on the Main Grandstand. It offers the best views on the start/finish, Podium Ceremony, and the fireworks after the race.
- ✓ **Plus** is also only available on the Main Grandstand. It offers a better view of the Pits, with a little luck you sit just across your favourite drivers team garage.
- ✓ **Premium** is available at the Main Grandstand, North Grandstand and West Grandstand. These seats are located in the best places on the Grandstand and give you a close view to all the on track action.

GENERAL ADMISSION (ABU DHABI HILL)

General Admission at the Yas Marina Circuit is also called Abu Dhabi Hill. It gives access to the General Admission area. There is a lot of sun (and no shade), a relatively high entrance fee and limited view of the track. Therefore, we generally do not recommend these tickets. If it fits within your budget, a grandstand seat is well worth the investment.
