01. TICKET TIPS

To help you select the right tickets and get you well prepared for your trip to the Australian Grand Prix, we have compiled a few ticket tips:

You are guaranteed to sit together if you order tickets for the same grandstand, for the same days in one order.

Please select the grandstand that suits your needs. It is important to compare the viewing possibilities with the price.

Discount for children is available for the age category 2 to 14 years. Please note that the discount is only valid if your child is 14 or younger at the time of the Australian Grand Prix. Select the desired child tickets in the ticket category 'Child Tickets 2 to 14 years'.

Most of the Grandstands of the Australian Grand Prix have at least one large TV screen. This allows you to follow the action on the track.

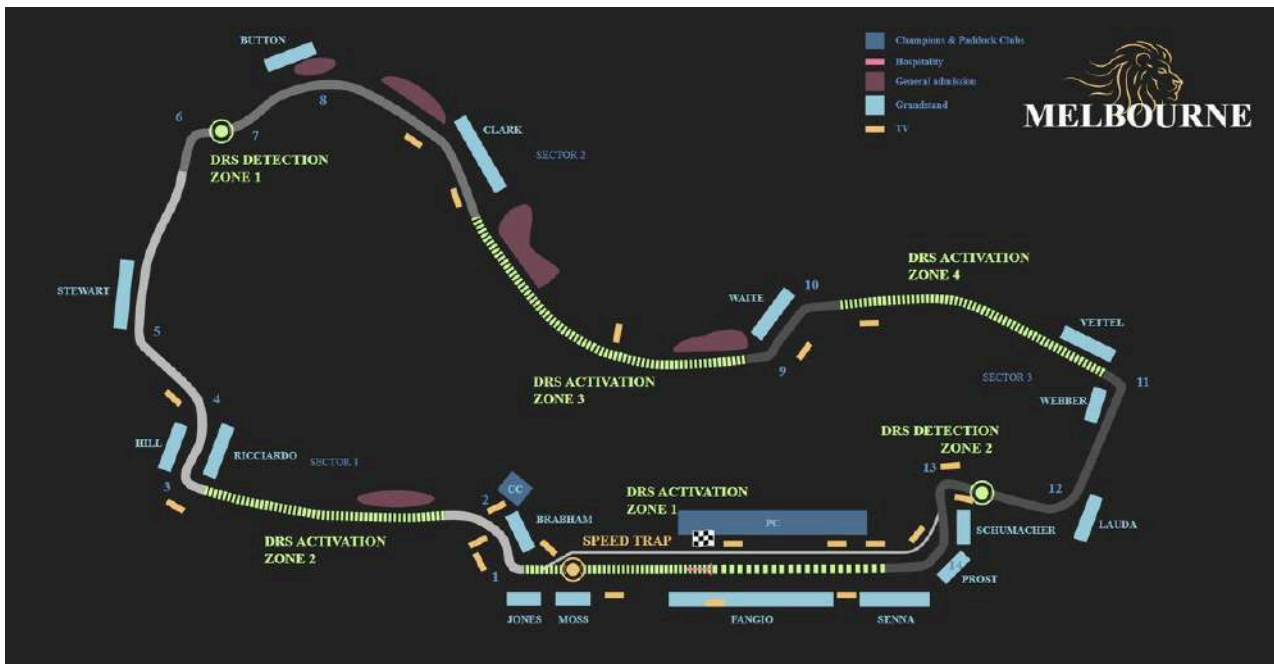

The view from the grandstands at Albert Park is generally limited to one or two corners. Some grandstands have an exclusive 'premium' section at the top. This section is covered and offers a better, panoramic view of the track. Additionally, the canopy provides some protection from the weather.

02. GRANDSTAND TICKET TYPES

Below you will be able to find an overview of the different types of tickets which are available at the Albert Park Circuit in Australia. Along with this you can find information on the views that the different tickets offer and if it is worth the price you pay for it.

GRANDSTANDS

FANGIO GRANDSTAND

The Fangio Grandstand can be found along the main stretch of the Melbourne circuit. This grandstand offers a prime view of the race start, the buildup and the opening moments. Additionally, you'll have a clear sight of the pit lane. It allows you to closely follow team strategies. Although this grandstand is among the priciest in Australia, it's a worthwhile investment. The great view and strategic position make up for it.

MOSS GRANDSTAND

Compared with Fangio, the Moss Grandstand is slightly further down the main straight. The Moss Grandstand provides a splendid vantage point of Turn 1. This is a key overtaking spot at the Melbourne circuit. Witness the excitement of the race start as cars maneuver through the initial corner. This grandstand is not the highest in price and offers excellent value for money.

JONES GRANDSTAND

Next to the Moss Grandstand, the Jones Grandstand boasts an almost ideal location at the apex of Turn 1. This ensures a sweeping view of Turns 1 and 2. Don't miss any of the race's initial action from this grandstand! Albeit at a slightly higher cost compared to others at the Melbourne circuit.

BRABHAM GRANDSTAND

The Brabham Grandstand is located opposite to the Jones Grandstand. Brabham offers impressive views of the first two corners. With better views of turns 1 and 2 compared to other grandstands, this grandstand is very popular. While it ranks among the pricier options in Australia, it justifies the costs.

HILL GRANDSTAND

The Hill Grandstand is positioned at Turn 3, following the second straight. It offers prime viewing of a hotspot for overtaking maneuvers. Enjoy a great perspective of turn 3 from this grandstand! It falls somewhere in the middle range in terms of pricing. So it is neither the most extravagant nor the most budget-friendly.

RICCIARDO GRANDSTAND

The Ricciardo Grandstand is located at turn 4, a slow right-hand corner preceding the swift section after turn 5. The Ricciardo Grandstand provides a nice view of turn 4 and a glimpse of Turn 5. Please note that we do not recommend choosing this grandstand partly due to its higher price tag compared to other options at the Melbourne circuit.

STEWART

The Stewart grandstand can be found at the exit of turn 5. You will see the cars pass here relatively fast, however, usually this is not a corner which gives the most racing action. So it is not the most exciting grandstand option.

BUTTON

Nestled at Turn 8, the Button Grandstand would offer you a view of Turns 6, 7, and 8. You will witness cars going past swiftly from Turn 8. This grandstand is one of the more affordable choices at the Australian circuit. It provides an excellent view without breaking the bank.

CLARK

You can find the Clark Grandstand just past turn 8 just before the third DRS activation zone. You will have a great view of the cars passing you on the high speed straight.

WAITE

In between turns 9 and 10, you will be able to find the Waite Grandstand. The cars have to brake to slow down significantly after driving over the very fast long straight into turn 9. They will drive into turns 9 and 10, and will take off again through the fourth DRS activation zone.

VETTEL

The Vettel Grandstand is located at the end of the fourth DRS activation zone just before turn 11. The cars will be coming past you very quickly before they will have to brake heavily to turn into the 11th corner on the Albert Park circuit.

WEBBER

Positioned at Turn 11, the Webber Grandstand offers a view of the cars navigating from Turn 11 to Turn 12. However, while offering a decent view, this is not the most remarkable option. For better value, consider exploring other grandstands.

LAUDA

Located at Turn 12, the Lauda Grandstand provides an optimal view of the apex of Turn 12. As well as a clear sightline of the cars approaching Turn 13. Despite its good location, this grandstand is one of the more affordable choices at the Melbourne circuit.

SCHUMACHER

The Schumacher Grandstand is located at Turns 14 and 15. These are the final corners of the Australian Circuit. This grandstand offers a prime position opposite the pit lane entrance. Known for its excellent value for money, this grandstand stands out. It is one of the top choices available at the Melbourne circuit.

View from the Prost Grandstand

PROST

At the final corner (turn 16), the Prost Grandstand is next to the Schumacher Grandstand. This grandstand exclusively covers the last corner. It resides within a dedicated stadium area alongside the Schumacher and Senna Grandstands. While it is a pricey option, it does offer great value for money.

SENNA

Across from the Prost Grandstand, this grandstand gives you a superb view of the pit lane. It allows you to follow live race strategies. Situated at the latter part of turn 16, it also offers a clear sight line of the main straight. Although one of the more expensive options at the Melbourne circuit, the Prost Grandstand presents a superior alternative.

GENERAL ADMISSION

General admission at the Australian Grand Prix offers a flexible and budget-friendly way to experience the action at Albert Park. With grassy viewing areas scattered around the circuit, fans can enjoy various perspectives of the track, including key spots like Turn 3 for overtaking or Turn 11 for high-speed corners. The open nature of GA allows you to move between areas, but arriving early is essential to secure a prime spot, especially during race day.

The atmosphere is lively and family-friendly, with large screens ensuring fans stay connected to the action no matter where they sit. While facilities are basic compared to grandstands, there are plenty of food vendors and entertainment zones nearby. General admission is perfect for fans who enjoy exploring the circuit and soaking up the vibrant energy of the event.
