GRANDSTANDS

MAIN GRANDSTAND

As on most circuits, tickets in the Main Grandstand are the most expensive in Sakhir. The spots are located opposite the pit boxes. This is a great place to witness for pit action, pre-race build-up, the start, and finish. But you won't get much of an overtake or other on-track action. The main Grandstand is covered, which does provide extra comfort.

TURN 1

Most overtaking takes place in Turn 1, making the Turn 1 Grandstand the best option if you want to see a lot of action. You will see the cars from the start/finish going through turns 1, 2 and 3 towards turn 4. Besides this, you will see the cars emerge from the pitlane right in front of you. This grandstand is also covered

VICTORY GRANDSTAND

The Victory Grandstand is located at turn 14 of the Bahrain circuit. It offers a great view over the last corner. This grandstand is not covered, however, it is considered to be one of the best grandstands on the circuit.

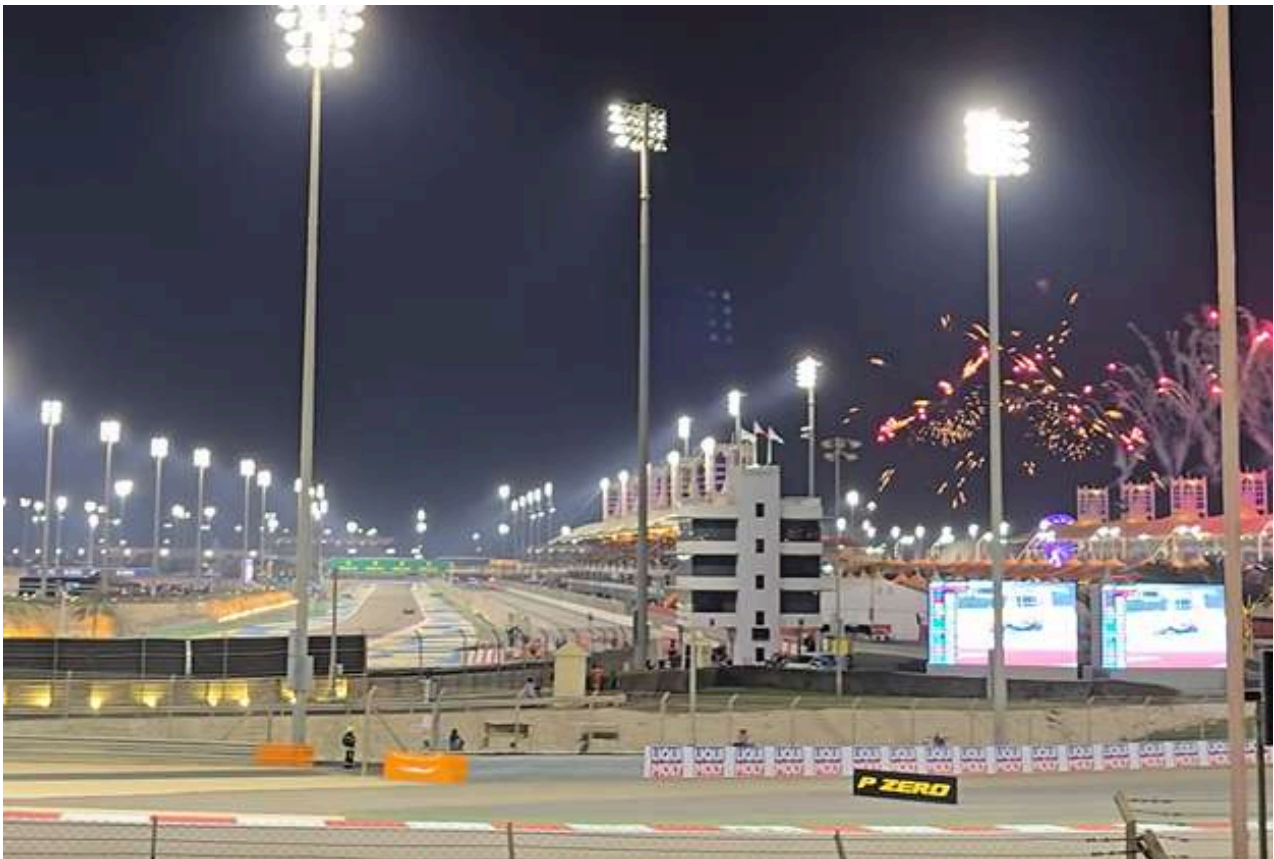

UNIVERSITY GRANDSTAND

The University Grandstand is located at Turn 3 and offers a great view of turns 1 to 3, which happen to be the areas where most of the action takes place. Additionally, the University Grandstand is covered.

University, consisting of three grandstands, is the best choice for fans on a budget. The best place to sit is at the top of University 2.

BEYON GRANDSTAND

Finally, there is the Beyon Grandstand. This grandstand is located in between turns 10 and 11 and offers a great view over turns 7 to 11. This grandstand, just like most of the others, is also covered.
