01. TICKET TIPS

To help you select the right tickets and get you well prepared for your trip to the Baku Grand Prix, we have compiled a few ticket tips:

✓ If you purchase tickets for the same grandstand and for the same days in one order, you are guaranteed to sit together.

✓ the only covered stand is the Absheron (Main) Grandstand.

✓ If premium seats (top rows) are available for your grandstand. We recommend this, because of the fence at the bottom, which can significantly obstruct the view. We also recommend the top rows for taking photos.

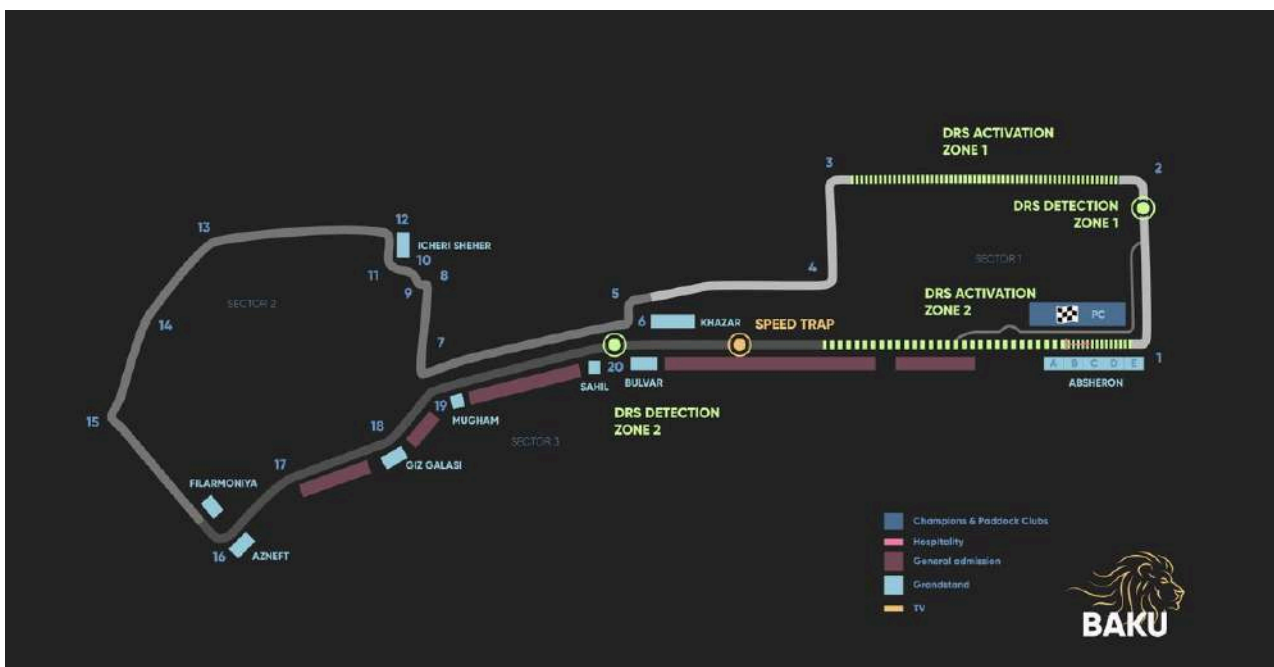

✓ The grandstands have access to large TV screens so you won't have to miss any of the racing action.

✓ Child tickets are available in all grandstands. For children aged 16 or younger at the time of the Baku GP. The average discount on the price of an adult ticket is approximately 30%.

GRANDSTANDS

ABSHERON

The Absheron stand is considered one of the best on the circuit. This grandstand is at the end of one of the longest straight on the F1 calendar. Drivers usually tackle the 'kink' in the circuit at full throttle. So, this grandstand ensures enough on-track action and excitement!

Typically, you buy a main grandstand ticket to immerse yourself in the action of the pit lane. You can also enjoy the race's build-up, as well as the post-race podium celebrations. The pre-race excitement is memorable for many spectators.
