✓ The Lower Deck is the lowest zone of the Main Grandstand. From here you can see the start grid and the pit boxes.

✓ The Upper Deck is the higher zone in the Main Grandstand. From here you can not only see the start grid and pit boxes, but you also have a panoramic view of a large part of the track.

✓ The Platinum Deck is located in the middle of the Grandstand. This deck has the best view of the starting grid and gives you access to a platinum lounge.

GRANDSTAND H

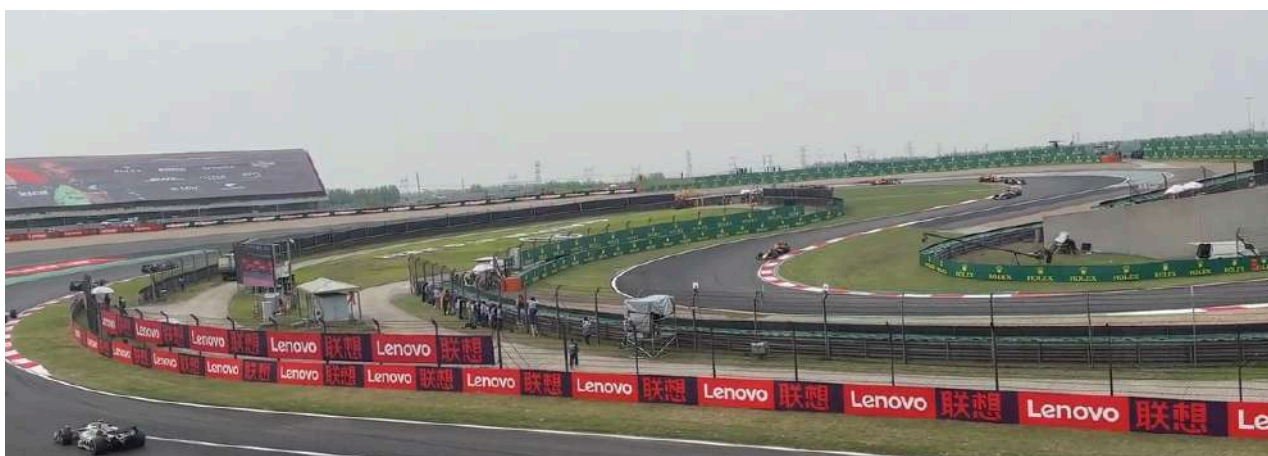

Grandstand H is located just before Turn 14, at the end of the circuit's long straight. From this grandstand, you will have a great view of Turns 14, 15, and 16. Grandstand H is covered, providing an added element of comfort.

GRANDSTAND K

GENERAL ADMISSION

General Admission tickets give you access to one of the zones around the circuit. The zones are C,F,J or L. There is no assigned seating in these areas. We recommend to arrive early to take the best spots. The General Admission areas are grassy banks so we do recommend taking something with you to sit on.

From Zone C you will have a view of the cars coming out of turn 5 and heading into the sharp turn 6. General Admission area F is located along the long straight of the circuit more towards turn 13. You will be able to see the cars exit this corner and heading into the first DRS activation zone. The third General Admission zone, zone J, is located around the outside of the hairpin at turn 14 giving you a great view of this corner. Lastly, Zone L is located along the main straight, right after turn 16 and before the Main Grandstand.
