01. TICKET TIPS

To help you select the right tickets and get you well prepared for your trip to the Monaco Grand Prix, we have compiled a few ticket tips:

✓ First, children between 6 and 15 years old get free admission on Thursdays. However, you still need to reserve a ticket. In addition, they get about 40% discount on weekend tickets.

✓ Second, seats in the grandstands are not reserved on Thursdays. Free roaming is possible.

✓ In addition, except a small part of Grandstand T, none of the grandstands are covered. Check the weather forecast before hitting the track to be well-prepared.

✓ Are you ordering multiple tickets for the same grandstand and the same days in one order? Then we will make sure that you are seated together.

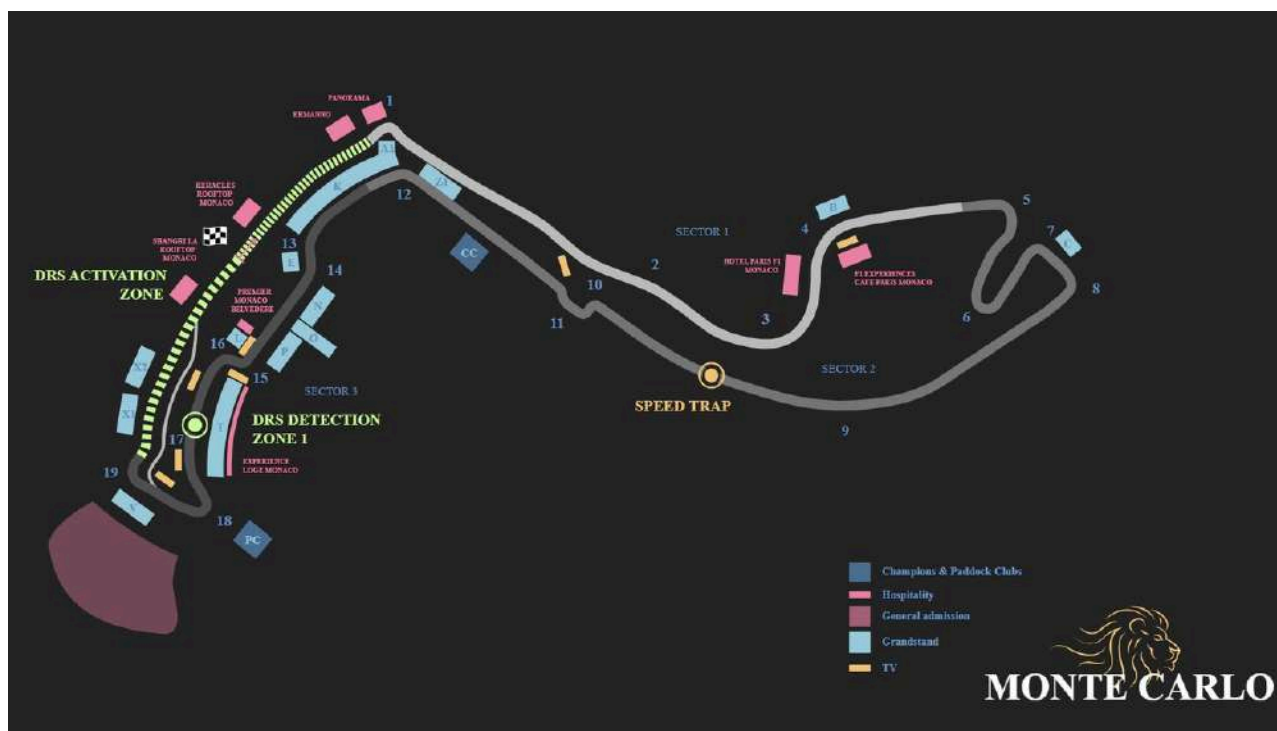

✓ Finally, grandstand seats in Monaco are bleaches or individual backless seats. Thus, bring a cushion to make your day more comfortable.

02. GRANDSTAND TICKET TYPES

The biggest and best grandstands in Monaco (and the ones with the best atmosphere) are in the harbour complex from Tabac to La Rascasse. Grandstand K is a safe bet, as are O and T which both have a view of the pits. Grandstand B in Casino Square is overpriced. It does not offer a good view in our opinion, but it is an iconic location and worth seeing on Thursdays.

Below you will be able to find an overview of the different types of tickets which are available at the Monaco Grand Prix. Along with this you can find information on the views that the different tickets offer and if it is worth the price you pay for it.

GRANDSTAND TICKETS

GRANDSTAND A

Grandstand A is on the inside of Sainte Devote (Turn 1). From here, you have a magnificent view of Turn 1. This is the action zone on the Monaco circuit, making it one of the premier grandstands at Monte Carlo. However, it is one of the more expensive grandstands on the circuit.

View from Grandstand K

GRANDSTAND K

Grandstand K is a large and popular harbour grandstand. The one with beautiful views from the exit of the Nouvelle Chicane, Tabac turn and up to the entrance of the swimming pool complex. Seats in the top row of K also offer a view behind the grandstand to the pit lane, start-finish and turn 1 (Sainte Devote).

GRANDSTAND L

Grandstand L is next to the Rainier III swimming pool. It has a view of the last bend in the pool complex and the pits. Not the cheapest grandstand in Monaco, but a solid choice if you are visiting for the first time. From this point, you will get a full taste of the atmosphere.

GRANDSTANDS O, N OR P

Grandstand O (Piscine Plongeur) is the highest of the three grandstands in the harbor area. Grandstand O, located across from the swimming pool section, offers better views than Grandstands N and P.

Situated on both sides of Grandstand O, **Grandstands N** and **P** provide lesser views. While Grandstand O offers expansive views of the pit lane. Therefore, if budget allows it, we recommend opting for Grandstand O.

Don't forget to bring binoculars for a better experience! All three grandstands feature views of a large-screen TV.

GRANDSTAND M

Grandstand M is located at Turn 13 and Turn 14. This grandstand has a breathtaking view of two of the swiftest corners on the Monaco circuit. It offers spectators an exhilarating experience.

View from Grandstand O

GRANDSTAND V

Located at turn 19 (Antony Noghes), **Grandstand V** provides a prime view of the renowned last corner of the Monte Carlo circuit.

The grandstand also offers spectators a clear sight line to the pit lane entrance. This is a focal point for racing action on the Monaco circuit. Besides this, a generously sized TV screen is available so you will not have to miss any of the racing action.

GRANDSTAND C

Nestled between turns 7 and 8, **Grandstand C** is just after the iconic Monaco hairpin. From this vantage point, spectators enjoy a clear view of two of the circuit's slowest corners. This provides a clear view of the cars passing by with precision.

MONACO ON A BUDGET

Monaco has two General Admission Areas for F1 fans on a budget.

ROCHER & Z1

Rocher is a hill that overlooks the last two turns of the lap. And **Z1** is at the entrance to the port section of the track between the Nouvelle Chicane and Tabac. We would choose Z1 because of the harbour location. There, you feel much more of the atmosphere on track.

GRANDSTANDS X1 AND X2

These stands are near the start-finish line and opposite the pit lane. They are compact and low. While they offer good views of race preparation and the start, they aren't the best for overall viewing.

This is why they are more budget-friendly. X2 is the better choice in this area as it's closer to the start/finish line. Note that these stands don't have a view of a large TV screen.
