# 01. TICKET TIPS

To help you select the right tickets and get you well prepared for your trip to the Qatar Grand Prix, we have compiled a few ticket tips:

All grandstands have access to large TV screens.

You are guaranteed to sit together if you order tickets for the same grandstand, for the same days in one order.

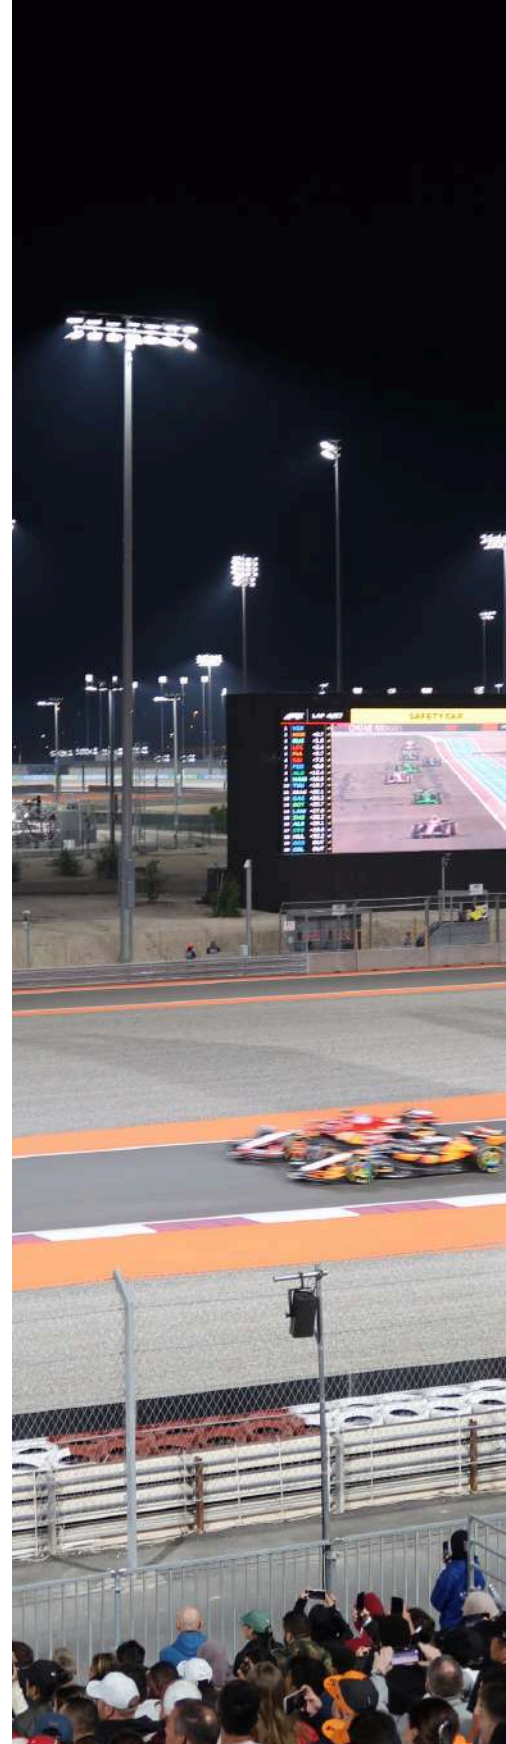

The general admission areas and grandstands feature accessible platforms for wheelchair users and their companions.

We recommend the North Grandstand and the T3 Grandstand as the best grandstands at the Lusail International Circuit.

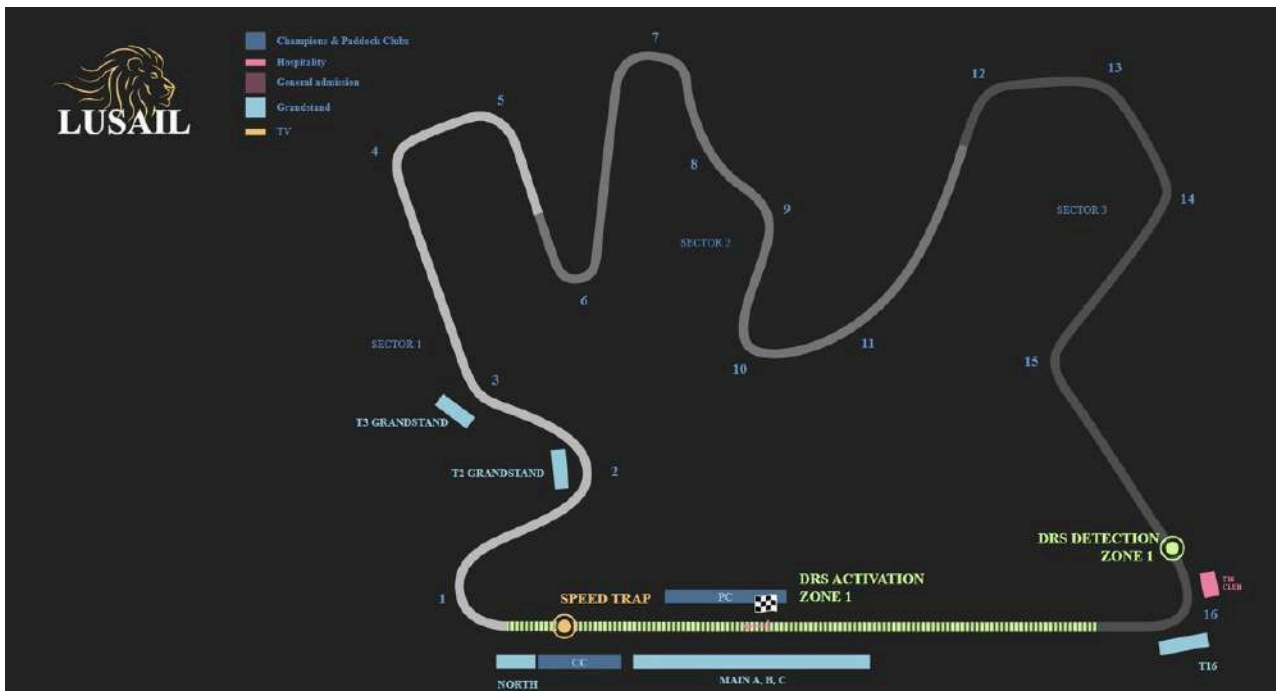

Children over 2 years old need a full-price ticket, while those 2 and under get free entry to General Admission and Grandstands, but must sit on a parent's lap in grandstands.

# 02. GRANDSTAND TICKET TYPES

## GRANDSTANDS

### MAIN GRANDSTAND

The Main Grandstand at Lusail GP circuit is located directly on the Main Straight. You will see the main straight, the pit lane and the F1 team garages. Ticket holders will have a view of the starting line, grid ceremony, pit-stops. You might even see the winners podium ceremony and trophy presentation after the race. However, this depends on your exact location on the grandstand.

### NORTH GRANDSTAND

The North Grandstand at the Lusail International Circuit is located on the Main Straight. It is immediately to the left-hand side of the Main Grandstand. From this spot, ticket holders have great views of the very first movement of the F1 cars. You can see them leaving the starting grid as the lights go green. And of course, as they head away from the grid heading towards the all-important Turn 1.

### T2 & T3 GRANDSTAND

The T2 Grandstand at the Lusail International Circuit, as its name refers, is located on the inside of Turn 2. You will have sight on one of the best sections of the track, turn 2 and a view of the action coming from Turn 1 or Turn 3. It, of course, depends on the exact seating location within the grandstand.

The T3 Grandstand also offers great views for the race. You will have a view of the cars coming out of turn 2 and coming into turn 3. After which they will storm off towards turn 4.

## T16 GRANDSTAND

Just before entering the straight, the drivers have one final corner to take. Will they attempt an overtaking move here, or will they wait until Turn 1? A daring move at this point could result in losing the gained position in Turn 1. Seats are unassigned, allowing you to choose the best spot in the grandstand yourself.
