# Ticket Tips

To help you select the right tickets and be prepared for your trip to the Grand Prix of Abu Dhabi, we have a few ticket tips for you:

Are you ordering tickets for the same grandstand and the same day in a single purchase? Then you are guaranteed to sit together during the Formula 1 in Abu Dhabi.

Unfortunately, this circuit does not offer discounts for children. All children need their own ticket and must be accompanied by an adult.

Most of the grandstands on the circuit have access to at least one big screen. This ensures that you won't miss any of the action on track.

Abu Dhabi is the season finale, so it is recommended to book early to ensure your preferred seats are not sold out before you purchase them.

Each grandstand has its own oasis. An oasis is an area where you can purchase snacks, drinks, and merchandise.

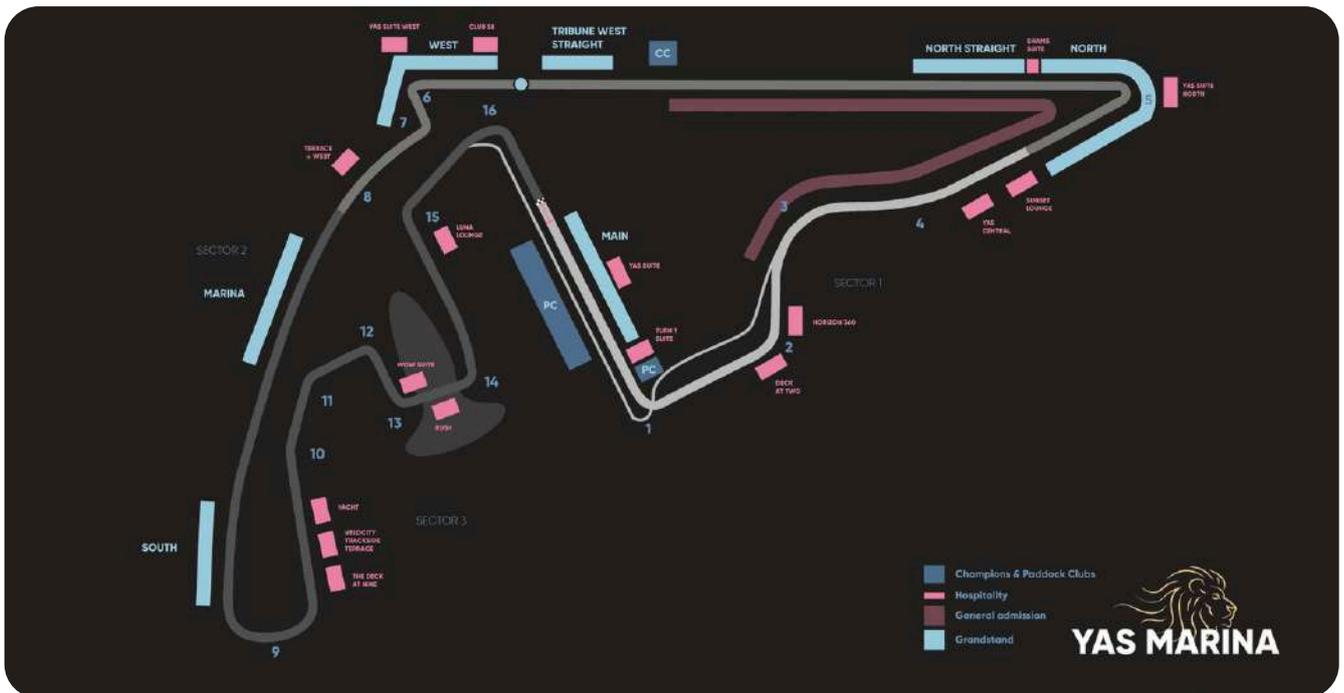

Ticket holders get access to the Yasalam concerts featuring major artists. Check the line-up and choose your tickets accordingly!

# Grandstand Ticket Options

On the following pages, you will find an overview of the different grandstands available for the Yas Marina Circuit in Abu Dhabi. For each grandstand, we provide information about the view, nearby amenities, and whether the ticket is worth the price, so you can make an informed choice.

## Grandstands

### North Grandstand

The North Grandstand offers a view of Turns 3 to 5 and the first straight (back straight). These seats are located near Ferrari World and the daily evening concerts. Within the North grandstands, you can choose between the North Grandstand and the North Straight Grandstand. The North Grandstand is along Turn 5, offering a great view of one of the slowest corners on this relatively fast circuit. This is where Max Verstappen passed Lewis Hamilton for the 2021 World Championship.

From the North Straight Grandstand, you have a good view of the exit of Turn 5 and the first long straight, where the cars speed toward Turn 6.

### South Grandstand

The South Grandstand is a good choice for on-track action. It is located in the braking zone for Turn 9, a corner where many overtakes occur because it comes after the second straight. From this grandstand, you also get a great view of the yachts in the harbor.

### Marina Grandstand

The Marina Grandstand is great for a panoramic view of the second half of the circuit. The direct view of the cars is on the straight between Turns 8 and 9, but you can also follow the action in the Marina section between Turns 12 and 15. The garages for support races (such as Formula 2) are located underneath this grandstand.

## West Grandstand

The West Grandstand offers great value for money. Just like the North Grandstands, there are two options here. The West Straight Grandstand is along the same straight as the North Straight Grandstand but closer to Turn 6. You see the cars approaching at high speed before they have to brake into Turn 6. The West Grandstand runs along Turns 6 and 7.

These grandstands are popular because it's a great spot for overtaking. Additionally, it's unique because part of the run-off area is located under the grandstand!

## Main Grandstand

The Main Grandstand is ideal if you want to see the start and finish of the race and keep up with the action in the pits. If this isn't important to you, choose a more affordable grandstand where you can see more on-track action. That said, the Main Grandstand does have its perks. In addition to pit action, you have a view of the entry to the first corner, the exit of the final corner, and the podium. Since Abu Dhabi is the last race of the season, there's even a chance the drivers will do donuts in front of your grandstand.

## General Admission

General Admission at the Yas Marina Circuit is also known as Abu Dhabi Hill. You will catch some of the race action, but we would not recommend these tickets. You will be exposed to the bright sun with no shade, the ticket prices are relatively high, and you won't have the best view of the circuit. If possible, we recommend purchasing a grandstand ticket, as it offers better value for your money.
