# Ticket Tips

---

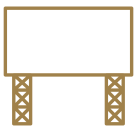

To help you select the right tickets and be prepared for your trip to the Grand Prix of Barcelona, we have a few ticket tips for you:

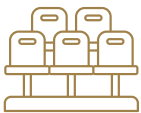

Are you ordering tickets for the same grandstand and the same day in a single purchase? Then you are guaranteed to sit together during the Formula 1 in Barcelona.

Seniors aged 65 and over and children aged 6–15 receive approximately 50% off three-day grandstand tickets. Children under 6 get free access to the grandstands, provided they do not occupy a seat. However, you must inform us of this in advance so we can arrange it for you.

Most of the grandstands on the circuit have access to at least one big screen. This ensures that you won't miss any of the action on track.

Tickets in most grandstands are divided into “zones.” These zones correspond to the row numbers.

If you are traveling to the circuit by car, you must order a parking pass in advance. No parking tickets will be sold on-site.

## Grandstands

### Excellence Grandstands

The Excellence category includes, among others, the covered **Main Grandstand**. Which normally has space for around 10,000 spectators. It offers views of the start/finish straight and the pit lane.

**Grandstand F** is also part of this category. This grandstand is an excellent premium seating choice in Montmeló. Grandstand F is located at the end of the straight, next to the pit lane, and therefore offers a panoramic view of the first corner complex of the track.

**Grandstand T1** and **Grandstand A** also fall under the Excellence category. These grandstands are situated at the end of the straight, giving you views of Turns 1 and 2 and the entry to Turn 3. Finally, **Grandstand T10** is also included in the Excellence category, where you have views of Turns 10, 11, and 12.

### Superfan Grandstand

This category includes four grandstands with good views. First, **Grandstand N**, just before Turn 9. Here, the drivers go through fast and sharp, so there's plenty of action!

**Grandstand H** is also a Superfan grandstand. This grandstand offers a view of the final corner. Here, the cars head onto the straight, giving you a great view of the decisive moments! In addition, you also have a view of Turns 10, 11, and 13.

Finally, **Grandstands L, M, and S** are Superfan grandstands. **Grandstand L** gives you views of Turns 1, 2, 5, and 6, providing a great overview of the beginning of the track. **Grandstand M** is located at Turn 5, where you can see a fast but tight corner. **Grandstand S** is situated next to Grandstand N. It offers a good view of Turn 9 and several TV screens. It is also covered.

## Fan+ Grandstands

The Fan+ category was created as an intermediate category between the Excellence grandstands and the Fan grandstands. Here, you don't get the best spot, but you do get good value for money.

**Grandstands G and C** fall under this category. They are located in the "stadium" section at the end of the lap before the main straight. In particular, **Grandstand G**, the largest grandstand, is popular among Dutch fans. This grandstand is also known as the Oranje Grandstand.

**Grandstand E** has a location similar to Grandstand F, but the first corner complex of the track is less visible.

## Fan Grandstands

In this category are the more affordable **Grandstands J** and **K**. These grandstands are on the straight next to the main grandstand, facing Turn 1. Here, you experience the start of the race and can see who gets away best from the line. Grandstand K is slightly closer to Turn 1.

## General Admission

General Admission tickets are the cheapest tickets for an F1 weekend. The areas we access are on the outside of Turn 3 or at Turns 6 or 7. At the latter locations, you even have a view of a TV screen, so you won't miss any of the race action. The inside of Turns 1 and 2 is also a good option to follow the action. With General Admission, keep in mind that you need to arrive early to secure the best spots.
