# Ticket Tips

---

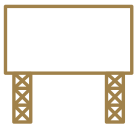

To help you select the right tickets and be prepared for your trip to the Grand Prix of Miami, we have a few ticket tips for you:

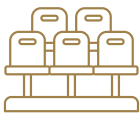

Are you ordering tickets for the same grandstand and the same day in a single purchase? Then you are guaranteed to sit together during the Formula 1 in Miami.

Children who are younger than two years old and/or shorter than 86 cm can enter the circuit for free, but they must sit with an accompanying adult who has a ticket.

Most of the grandstands on the circuit have access to at least one big screen. This ensures that you won't miss any of the action on track.

All grandstands have numbered seats for all three days of the event (Friday to Sunday).

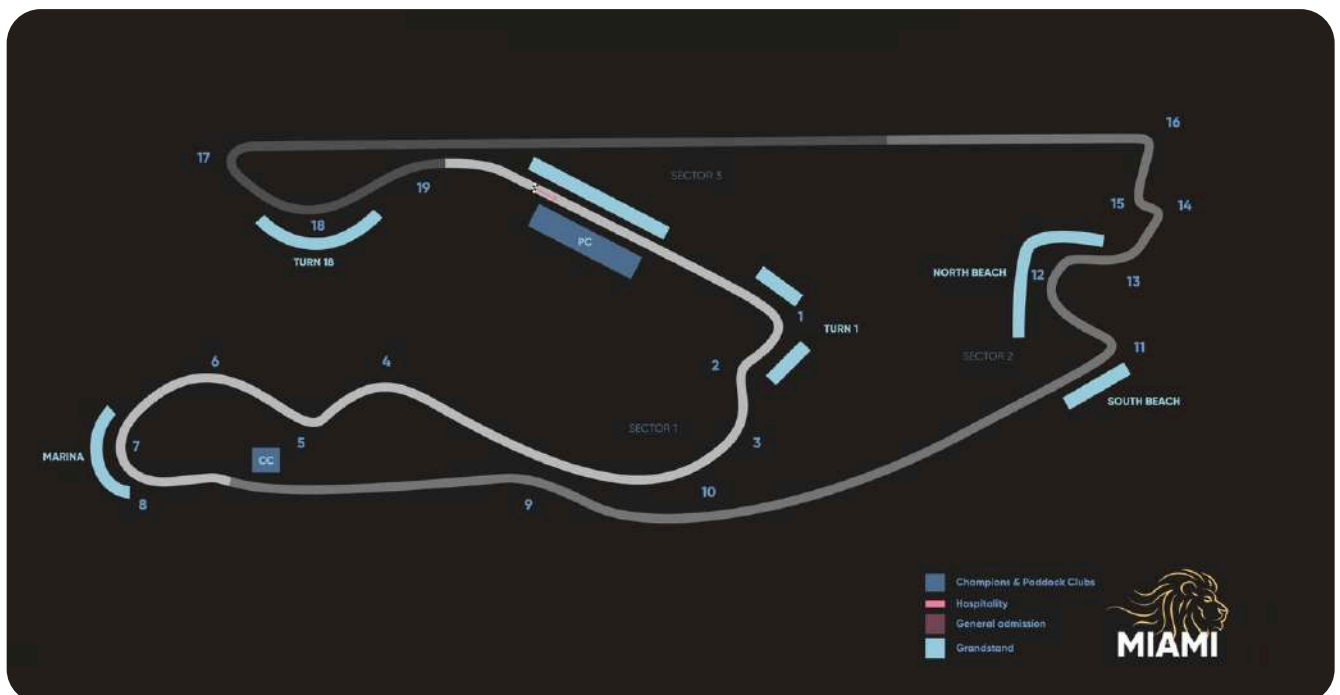

There are water refill stations around the circuit. If you bring an empty water bottle, you can refill it there.

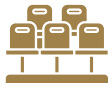

# Grandstand Ticket Options

On the following pages, you will find an overview of the different grandstands available at the Miami International Autodrome in the United States. For each grandstand, we provide information about the view and what parts of the circuit you can follow, so you can get a clear idea of what to expect and choose the option that suits you best.

## Grandstands

### Start / Finish Grandstand

This grandstand offers a great view of the long straight of the Miami circuit. There is plenty to see. In addition, it provides an exceptional perspective of the pit lane. You can follow everything the teams are doing in the pit lane. Although it is one of the more expensive options at the Miami circuit, the tickets are definitely worth it! Keep in mind, however, that in Miami, the podium after the race is not directly visible from the Start / Finish Grandstand; you will need to follow it on the screens. The top of the grandstand is covered.

### Turn 1 North Grandstand

This grandstand gives you a good view of both the start/finish line and Turn 1. This corner is known for its good overtaking opportunities. Although this grandstand is priced higher, the value for money is excellent. The top of the Turn 1 North grandstand is partially covered.

### Marina Grandstands

The three Marina Grandstands are located within the simulated harbor area of the Miami circuit. They provide a good view of the fast corner combination at Turns 6, 7, and 8. Despite the prime location, these grandstands are among the more budget-friendly options available. The upper sections of the Marina Grandstands are covered.

## North Beach & South Beach Grandstand

Located on the outside of Turn 11 and the inside of Turn 12, these grandstands are in the famous stadium section of Miami. Although this is one of the more affordable options, this location is among the better ones on the circuit. The North Grandstand is situated around the inside of Turn 12, while the South Beach Grandstand is located at the entry of Turn 11 on the outside of the track. While the South Beach Grandstand is certainly not a bad choice, we would recommend the North Grandstand instead. The top few rows of both Beach Grandstands are covered.

## Turn 18 Grandstand

This grandstand offers a view of the final corner of the Miami circuit, Turn 18, which comes after the straight. It is therefore an excellent spot to see overtaking maneuvers. In addition, it provides a good view of the pit lane entry. Although it is one of the more expensive options, it offers good value for the price.

## General Admission

The Campus Pass allows you to freely walk around the circuit and through the various campus areas surrounding the Hard Rock Stadium. You can watch the race action from different locations around the track. However, keep in mind that this means you do not have assigned seating or access to the grandstands.

The Campus Pass is the most affordable way to attend the Miami Grand Prix. Due to the relatively flat terrain, it does not offer the best views. If you are attending the full weekend, we recommend exploring the circuit on Friday to find your favorite spot to watch the race action on Saturday and Sunday.
