Ticket Tips

To help you select the right tickets and be prepared for your trip to the Grand Prix in Monte Carlo, we have a few ticket tips for you:

Are you ordering tickets for the same grandstand and the same day in a single purchase? Then you are guaranteed to sit together during the Formula 1 in Monaco.

Children between 6 and 15 years old have free access on Thursday. However, a ticket must still be reserved. In addition, they receive approximately 40% off weekend tickets.

Most of the grandstands on the circuit have access to at least one big screen. This ensures that you won't miss any of the action on track.

Seats in the grandstands in Monaco are benches or individual seats. They do not have backrests, so bring a cushion to make your day more comfortable.

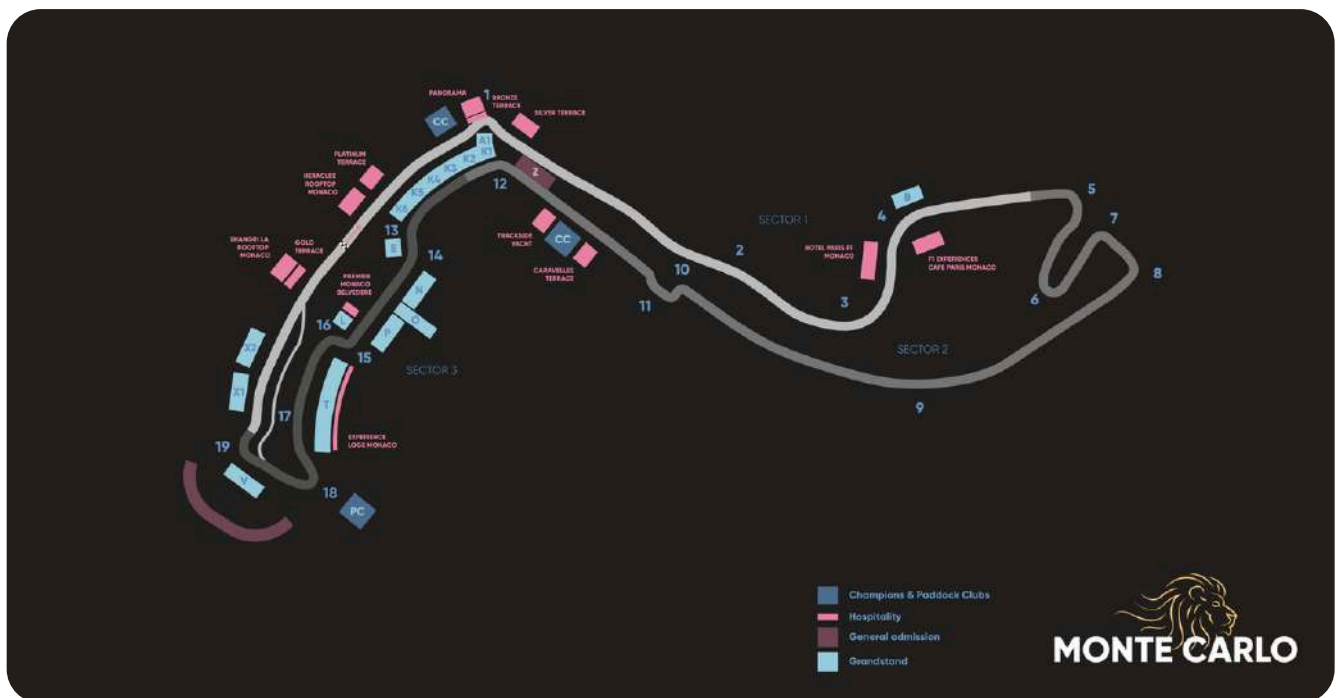

Seats in the grandstands on Thursday are not reserved. Free access is allowed.

Grandstand Ticket Options

On the following pages, you will find an overview of the different grandstands available at the circuit in Monaco. For each grandstand, we provide information about the view and what parts of the circuit you can follow, so you can get a clear idea of what to expect and choose the option that suits you best.

Circuit layout for the Monaco Grand Prix

Grandstands

Grandstand A

Grandstand A is located on the inside of Saint Devote (Turn 1). Here, you get an excellent view of Turn 1. This is a spot on the Monaco circuit where most of the action takes place, making it one of the best grandstands on the Monte Carlo circuit. It is also one of the most expensive grandstands on the circuit.

Grandstand K

Grandstand K is a large and popular harbor grandstand. Here, you get a great view from the exit of the Nouvelle Chicane and the Tabac corner, all the way to the entrance of the swimming pool complex. Seats in the highest row of K also offer a view behind the grandstand, where you can see the pit lane, start/finish, and Turn 1 (Sainte Devote).

View from grandstand K

Grandstand L

Grandstand L is located next to the Rainier III pool. Here, you get a view of Turn 16 in the pool complex and the pits. This is not the cheapest grandstand in Monaco, but it is a safe choice if you are visiting for the first time and want to fully experience the atmosphere.

Grandstands O,N or P

Grandstand O (Piscine Plongeur) is the highest of the three grandstands in the harbor. This grandstand sits opposite the pool section of the circuit. If you can afford it, O is a better choice than **Grandstands N or P**, which are located to the right and left of Grandstand O. This is because the views are better, and you also get a clear view of the pit lane. Be sure to bring binoculars! All three grandstands have a view of a big screen TV.

Grandstand V

Grandstand V is located at Turn 19 (Antony Noghes). Here, you get a good view of the famous final corner of the Monte Carlo circuit. You also have a view of the pit lane entry.

In addition, there is a large TV screen so you won't miss any of the race action.

Grandstand E

Grandstand E is located on the inside of the Monaco circuit at Turn 13. From this grandstand, you have a view of Turns 13 and 14. However, there are better grandstands available on the circuit.

Grandstand B

Grandstand B is located on the outside of Turn 4 at the famous Casino Square. You can see the cars exit Turn 3 and drive through Turn 4, passing the iconic Casino de Monte-Carlo and Hotel de Paris.

Grandstand T

Grandstand T is a very nice grandstand. From here, you have a view of the pit lane and the pit garages. In Monaco, overtaking is difficult, so positions are often gained during pit stops, which you can watch very well from this grandstand. If you are seated on the right side of the grandstand, you can see the cars coming out of Turn 15 and heading towards Turn 16. On the left side, you can see the cars driving towards Turn 18. The upper section of Grandstand T is covered.

View from general admission area Z

General Admission

Monaco has two general admission areas for F1 fans on a budget. **Rocher** is a hill overlooking the last two corners of the lap. **Z** is located at the entrance of the harbor section of the track, between the Nouvelle Chicane and Tabac. We would choose **Z** because of its harbor location. Here, you really feel more a part of the atmosphere at the circuit.

Grandstands X1 and **X2** are small, low grandstands. They are located next to the start-finish and opposite the pit lane. Apart from offering a good view of the race preparation and start, these stands are not the best choice. This is reflected in the lower price of these F1 tickets. If you decide to buy here, **X2** is the better choice because it is closer to the start/finish line. These grandstands do not have a view of a big TV screen.
