# Ticket Tips

---

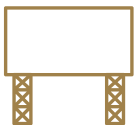

To help you select the right tickets and be prepared for your trip to the Qatar Grand Prix, we have a few ticket tips for you:

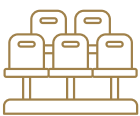

Are you ordering tickets for the same grandstand and the same day in a single purchase? Then you are guaranteed to sit together during the Formula 1 in Qatar.

Children older than 2 years need a full-price ticket, while children aged 2 and under have free access to General Admission and grandstands, but must sit on a parent's lap when in the grandstands.

Most of the grandstands on the circuit have access to at least one big screen. This ensures that you won't miss any of the action on track.

We recommend the North Grandstand and the T3 Grandstand as the best grandstands at the Lusail International Circuit.

The standing areas and grandstands have accessible platforms for wheelchair users and their companions.

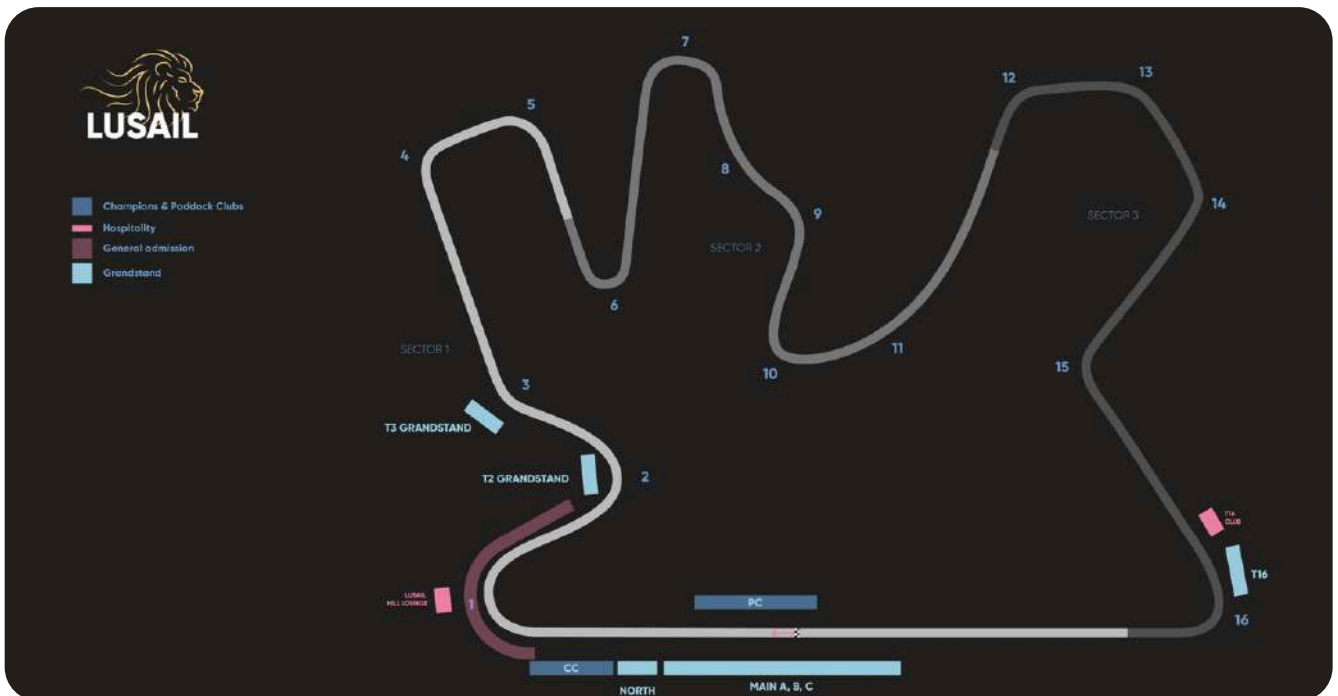

Compared to other destinations, Qatar is generally less crowded. However, please note that some grandstands do not have numbered seating. To secure the best spot on these grandstands, we recommend arriving about an hour before the session.

# Grandstand Ticket Options

On the following pages, you will find an overview of the different grandstands available at the Lusail International Circuit in Qatar. For each grandstand, we provide information about the view and what parts of the circuit you can follow, so you can get a clear idea of what to expect and choose the option that suits you best.

## Grandstands

### Main Grandstand

This grandstand is the only covered grandstand. From here, you have a view of the teams' pit boxes and the starting grid. You can also see whether a driver sets up an overtake at Turn 1 effectively. Because the seats are numbered, you're guaranteed to sit in the same spot each day. Large screens are placed opposite the grandstand, ensuring you can follow all the race action on track.

### North Grandstand

This grandstand is located directly next to the Main Grandstand, in the direction of Turn 1. It's the best spot if you want to see overtaking action. Right in front of you, the drivers will try to position their car alongside the one ahead to make an overtake into Turn 1 successful. Seats are unnumbered, allowing you to choose your own spot on the grandstand.

### T2 & T3 Grandstands

These two grandstands are located at the corner combination of Turns 2 and 3. Will the drivers manage to find a good line and attempt an overtake into Turn 4? The seats here are unnumbered, so you can choose your own spot on the grandstand. As the names suggest, from the T2 Grandstand you get a better view of Turn 2, while from the T3 Grandstand you have a better view of Turn 3.

## T16 Grandstand

Just before the start of the straight, the drivers face one last corner. Will they attempt an overtake here, or wait until Turn 1? A bold move here could result in losing the position gained in Turn 1. Seats are unnumbered, so you can choose the best spot for yourself on the grandstand.

View from General Admission

## General Admission

These tickets are affordably priced. They give you access to the General Admission zone on the outside of Turn 1. Here, you have a good view of the start, and there is a slight elevation, ensuring everyone has a clear view. However, due to the large gravel trap after Turn 1, you are a bit further from the circuit than on most grandstands. Seating is not guaranteed on the sloped areas of the zone.
