Ticket Tips

To help you select the right tickets and be prepared for your trip to the Grand Prix of Baku, we have a few ticket tips for you:

Are you ordering tickets for the same grandstand and the same day in a single purchase? Then you are guaranteed to sit together during the Formula 1 in Azerbaijan.

Children's tickets are available for all grandstands. They are for children aged 16 or younger at the time of the Baku Grand Prix. The average discount compared to an adult ticket is approximately 30%.

Most of the grandstands on the circuit have access to at least one big screen. This ensures that you won't miss any of the action on track.

If premium seats (upper rows) are available for your grandstand, we recommend them due to the fence at the bottom, which can significantly obstruct the view. We also recommend the upper rows for taking photos.

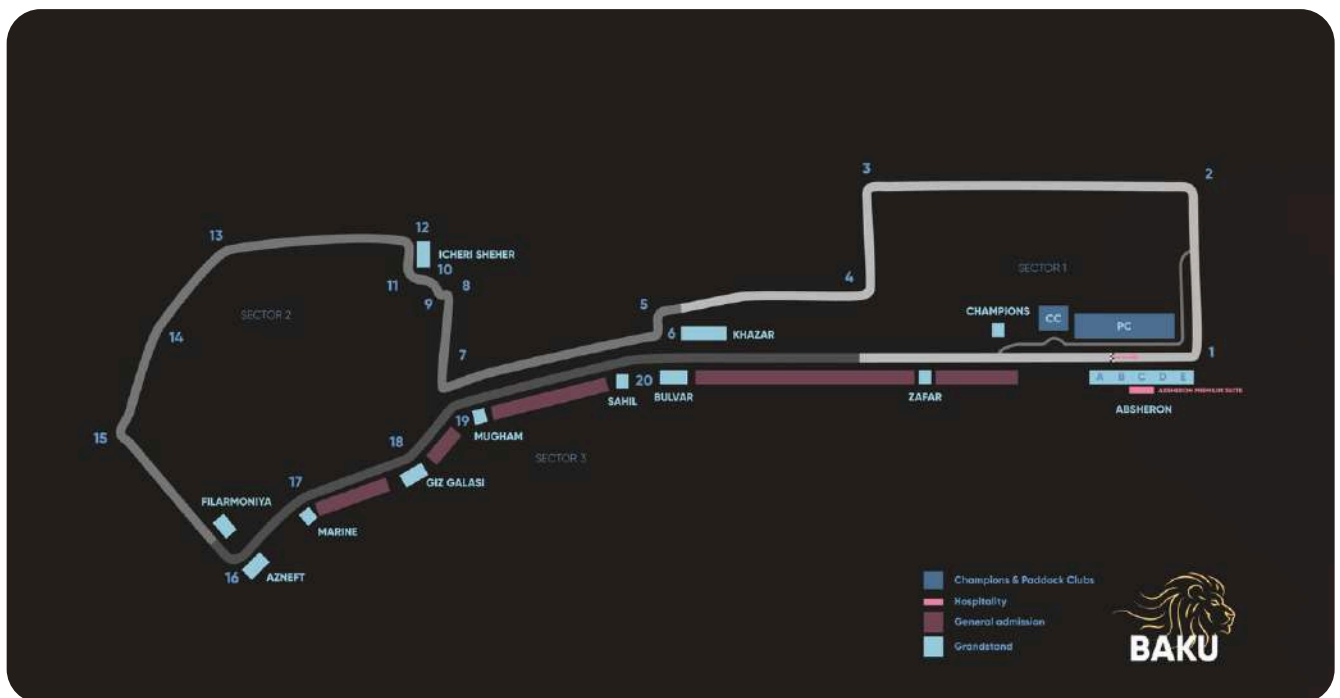

The only covered grandstand is the Absheron Grandstand (Main Grandstand).

Grandstand Ticket Options

On the following pages, you will find an overview of the different grandstands available at the Baku City Circuit in Azerbaijan. For each grandstand, we provide information about the view and what parts of the circuit you can follow, so you can get a clear idea of what to expect and choose the option that suits you best.

Grandstands

Absheron Grandstand

The Absheron Grandstand is considered one of the best at the circuit. This grandstand is located at the end of one of the longest straights on the F1 calendar. Drivers usually take the “kink” in the circuit at full speed, ensuring plenty of on-track action and excitement!

Typically, you buy a ticket for the main grandstand to immerse yourself in the pit lane action. You can also enjoy the race buildup as well as the post-race podium celebrations. The pre-race excitement is unforgettable for many spectators.

Grandstands between turns 10 - 16

There are three grandstands located between Turns 10 and 16. The **Filarmoniya Grandstand** is situated at Turn 16 on the inside of the circuit. From this grandstand, you get a fantastic view of Turns 15 and 16, two of the most spectacular corners on the track.

The **Icheri Grandstand** is located on the outside of the circuit between Turns 11 and 12, offering a beautiful view of these two corners.

Finally, the last grandstand along this section of the circuit is the **Azneft Grandstand**. While the Filarmoniya Grandstand is on the inside, Azneft is positioned on the outside of Turn 16. Here, you also have a great view of Turns 15 and 16, but from a slightly different angle, allowing you to see part of Turn 17 as well.

Grandstands between turns 17 - finish

There are seven grandstands located between Turns 17 and the start/finish line. One of these is the **Khazar Grandstand**. The Khazar Grandstand is situated at Turn 20 on the inside of the circuit, offering a good view of both Turns 6 and 20. You can also see the cars accelerating out of Turn 19 from here.

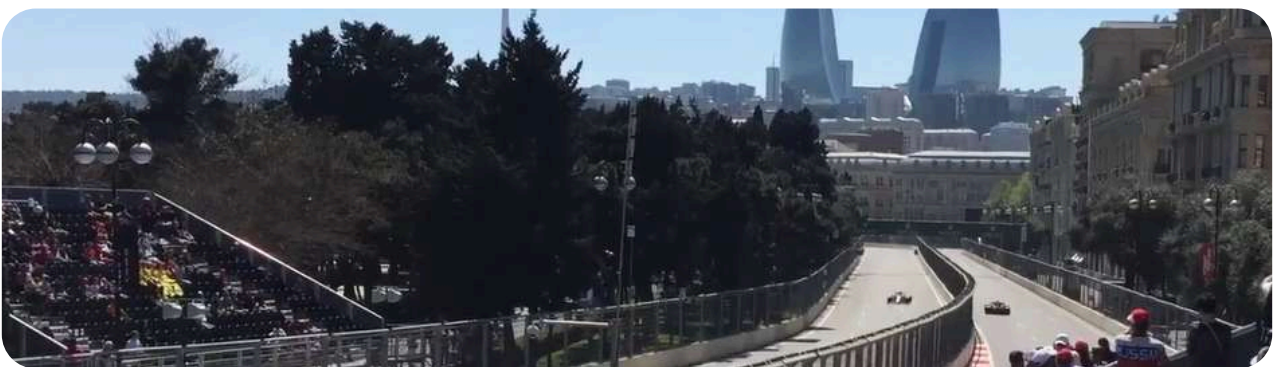

Another grandstand in this section is the **Bulvar Grandstand**. This grandstand is also at Turn 20, but on the outside of the circuit, providing a fantastic view of the cars racing past at full speed. The **Sahil Grandstand** is just before the Bulvar Grandstand at Turn 20, offering an excellent view of the cars as they speed through Turns 19 and 20.

The **Giz Galazi Grandstand** is located at Turn 18, giving you a great view of the fast Turns 17 and 18 on the Baku City Circuit.

The **Marine Grandstand** is on the outside of the circuit at Turn 17. From here, you can see the cars arriving from Turn 16, navigating Turn 17, and disappearing toward Turn 18.

Another grandstand in this section is the **Mugham Grandstand**, located at Turn 19, providing a good view of the cars as they exit Turn 19 and enter Turn 20.

The final grandstand in this area is the **Champions Grandstand**. This grandstand is located at the entrance of the pit lane and close to the paddock. From here, you have a view of the start/finish line and all the action in the pits.

General Admission

General Admission tickets for the Baku Grand Prix give you access to all fan zones along the circuit, from Turn 17 to the start/finish line. You have the opportunity to follow the action throughout the weekend from different points around the track, but there are no assigned seats. General Admission in Baku is almost fully accessible around the entire circuit.
